8 June 1983

MEMORANDUM FOR: Executive Director

THROUGH: Acting Deputy Director for Operations

FROM: Chief, Information Management Staff

SUBJECT: Nominees for Working Groups

REFERENCE: ExDir Memorandum dated 1 June 83; Subject: CIA's Information Systems Board

25X1

It is recommended that the following officers represent the Directorate of Operations on the six working groups described in the reference. We have selected people who would attend the initial meetings of each group with the understanding that other DO officers may be designated later to participate as regular members of the groups once their functions become more clearly defined.

- a. Computer Security:
- b. Requirements and Technology Acquisition:
- c. Executive Information System:
- d. Workstation Environment:
- e. Artificial Intelligence Applications:
- f. Information Services Planning:
